

WY License/Preference Point Application

Book your hunt with us and we'll do all the work for you!

License Application

We want to make sure you have the best chance of drawing a tag, so let us do the book work for you. If you would like for us to, we can personally submit your application to Wyoming Game and Fish, therefore you can rest assured that your application is entered in a timely manner and into the correct drawing. If successful in the drawing, your license will be mailed directly to O'Brien Creek Outfitters.

If we are applying for your license the form below must be completed and submitted. To confirm your hunt a 50% deposit is required **plus** license fees. If we do not have your deposit prior to the application period, we will not submit your application. If you are unsuccessful in drawing a license your deposit can either be returned or rolled over to the next year. Only upon failure to draw a license is a deposit returned. License applications withdrawn by the client will NOT count as a failure to draw and your deposit will not be returned. Deposits will be returned within 60 days of the results being posting.

Preference Point Program

Plan for your future hunt! If you do not have enough points to draw your desired tag or you're not quite ready to go on your dream hunt, then start collecting preference points. Preference points are a way to improve your odds of eventually drawing a license in a hard-to-draw hunt area. Seventy-five percent (75%) of available licenses in each hunt area and license type will be allocated to the preference point drawing. Applicants with the highest preference point ranking will receive priority in the preference point drawing. The remaining twenty-five percent (25%) of available licenses will be allocated in a random drawing regardless of preference points. The random drawing is intended to provide everyone who applies a chance of drawing a license. While you may get lucky in drawing in the random, we strongly recommend purchasing preference points if you plan to hunt in Wyoming. O'Brien Creek Outfitters is happy to apply for these points for you to ensure you'll have the best odds at drawing a tag in the future.

Each year O'Brien Creek Outfitters will contact you to find out if you would like to use your acquired points to book a hunt or to see if you would like to continue purchasing points. If you choose to use your points and book a hunt, we can submit your application for you. If you continue to purchase points, an invoice will be sent out the beginning of June. If we have not received your payment by October 20th we will not apply for your preference points.

Forms of payment: We accept credit card, check, certified money orders, or cash (outfitter not responsible for cash being sent via mail).
